*"But those who look into the perfect law...and persevere, being not hearers who forget but doers who act--they will be blessed in their doing." James 1:25*

To all God's beloved, grace to you and peace! It is my pleasure to announce the opening session of the St. James Christian Learning Center. St. James CLC is an educational facility designed to help you "grow for God's glory" by providing classes and courses of study to ground you in the Word and teach you how to apply it to every area of your life.

### Breaking the Yoke of Financial Bondage: Introduction to Christian Money Management *Dr. William D. Watley Bro. Allen S. Cooper Bro. Carl A. Smith*

So you've paid the tithe and squandered the rest. Perhaps you do not think you can afford the tithe because your bills are too high. Or maybe you do well with your finances and want to do better. If you fit into any of these categories, this class is for you. Learn the basics of money management from a Christian perspective. We will begin with the tithe and show you how to effectively manage the remaining 90%. From budgeting and debt reduction to saving and investing, this is a class you won't want to miss!

### The Christian Family

*Rev. James Deas  
Mrs. Ruth Deas*

In a world where the family unit is under attack, learn what a Christian family should be and how to strengthen your home. Rev. and Mrs. Deas will lead you through the scriptures and offer practical insights on marriage, children, and issues that affect the family unit and its members. So whether you live within the context of a two parent, single parent, broken, blended or extended family household, this class will help you and your family establish a Christ-centered home.

### What Christians Believe *Rev. Raquet A. St. Clair*

A trainer for the US Federal Reserve Bank was teaching employees how to spot counterfeiters. He told his students that the most effective way to learn how to spot a counterfeit was to study the real thing. As Christians, we must do the same thing--study the real thing! Learn the basic doctrines of our faith and why we believe what we believe so that you will know how to give an account of your faith to those who want to convert you! A must for all Christian educators and those who want to stand firm in the faith and grow stronger in their witness.

*"Study to show yourself approved, a worker that need not be ashamed; rightly dividing the word of truth." II Timothy 2:15*
